Re: Freedom of Information Act Request (EPA-HQ-2017-005018)

Dear Mr. Schmidt:

This is in reference to your March 16, 2017 Freedom of Information Act (FOIA) request (March Request), which you clarified in your April 20, 2017 letter (April letter). On May 24, 2017, Tahani Rivers of the United States Environmental Protection Agency (EPA) requested an extension until June 30, 2017, to respond to your FOIA, due to an information technology issue EPA was working through, in order to access some potentially responsive email records. You granted an extension until June 19, 2017, due to your need for the documents by then because of a deadline you have. Outlined below are the responses to each of your questions in your April letter:

1. You withdrew request #1 in your April letter.
2. Regarding request #2, you asked for “[c]ommunications dated between January 1, 2013 to the present with Paul Teta (p.teta@kolmar-americas.com) that reference e-Biofuels.”
 - Enclosed are the responsive records, which include three email records, totaling four pages, and three PDF documents, totaling eight pages.
3. You withdrew request #3 in your April letter.
4. Regarding request #4, you asked for “[c]opies of any Notice(s) of Violation to Kolmar dated January 1, 2013 to the present related to the Renewable Fuels Standard (RFS).”
 - There are no responsive records to this request.
5. You withdrew request #5 in your April letter.
6. Regarding request #6, you asked for “[c]ommunications to Kolmar from January 1, 2013 to the present that reference restitution to Kolmar.”
 - There are no responsive records to this request.
7. Regarding request #7, you requested “[c]opies of any Administrative Settlement Agreement(s) with Kolmar from January 1, 2013 to the present.”

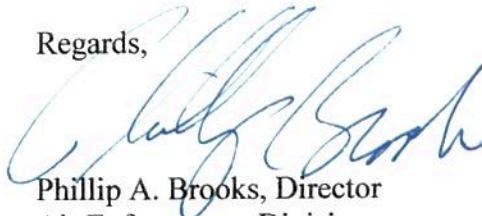

- There are no responsive records to this request.

8. You withdrew request #8 in your April letter.

There is also a bill in the amount of \$217.00 enclosed.

This letter concludes our response to your request. You may appeal this response by email at hq.foia@epa.gov, or by mail to the National Freedom of Information Office, U.S. EPA, 1200 Pennsylvania Avenue, N.W. (2822T), Washington, DC 20460.
